

## **Software Engineering, EOSF322, Fall 2019 Inspection Grades**

For each of you, grades will be based on:

- your preparation time
- effectiveness of identifying defects
  - number of defects identified
  - significance of defects identified (quality weighs more than quantify)
  - avoidance of identifying non-defects
- clear presentation of defects

Moderators' grades are based on:

- following the process
- timeliness of steps
- effectively handling the meeting
- effectively handling problems

Recorder grades are based on:

- clarity of notes
- completeness of notes
- timeliness of delivering notes
