

## AbOut Web Application

The following is a brief overview of the navigation flow of the AbOut Web Application Project and what pages each php file creates. For a more detailed diagram of this flow, see attached file: task02.dia. To open task02.dia open the dia application and click *open file* and then navigate to the directory that task02.dia is located. Click show all files to see the task02.dia file.

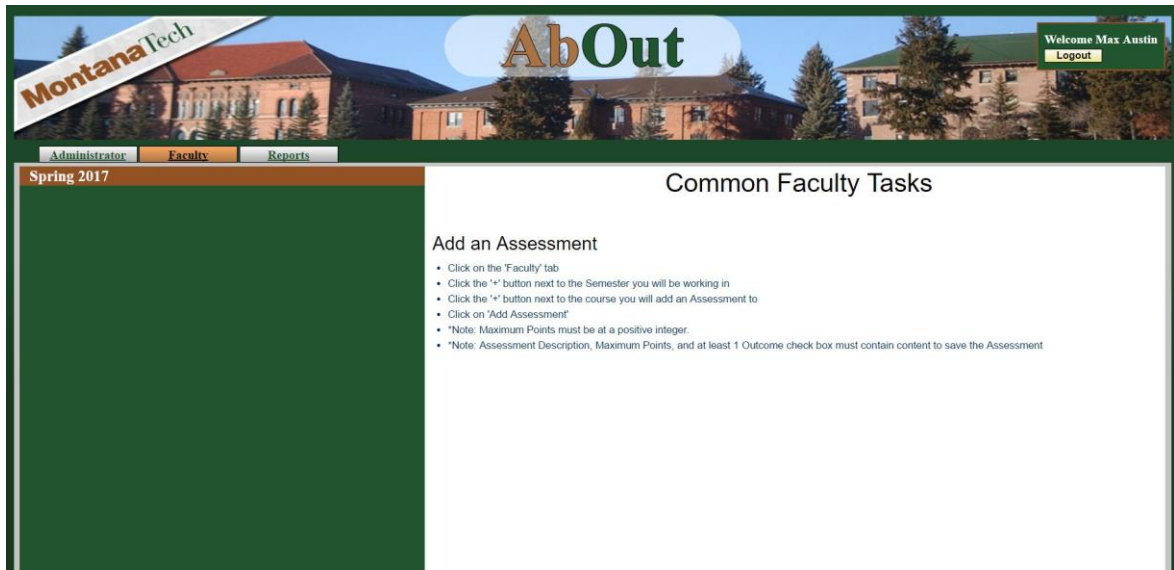

### LoginController.php

### AdminController.php

## FacultyController.php

The screenshot shows the FacultyController.php interface. At the top, there is a banner for Montana Tech with the 'AbOut' logo and a 'Welcome Max Austin Logout' button. Below the banner is a navigation menu with 'Administrator', 'Faculty', and 'Reports' tabs. The 'Faculty' tab is selected, and the page title is 'Common Faculty Tasks'. On the left, there is a sidebar with 'Spring 2017' and a green background. The main content area is titled 'Common Faculty Tasks' and contains a section 'Add an Assessment' with a list of instructions:

- Click on the 'Faculty' tab
- Click the '+' button next to the Semester you will be working in
- Click the '+' button next to the course you will add an Assessment to
- Click on 'Add Assessment'
- \*Note: Maximum Points must be at a positive integer.
- \*Note: Assessment Description, Maximum Points, and at least 1 Outcome check box must contain content to save the Assessment

## ReportsController.php

The screenshot shows the ReportsController.php interface. At the top, there is a banner for Montana Tech with the 'AbOut' logo and a 'Welcome Max Austin Logout' button. Below the banner is a navigation menu with 'Administrator', 'Faculty', and 'Reports' tabs. The 'Reports' tab is selected, and the page title is 'Common Reports Tasks'. On the left, there is a sidebar with 'Reports' and a list of links: 'Overview Outcome Report', 'Overview Course Report', 'C.O.R.E. Report', 'Outcome Report', and 'Matrix Report'. The main content area is titled 'Common Reports Tasks' and contains three sections:

- View an Overview Outcome / Course report**
  - Click on the 'Reports' tab
  - Click the Overview Outcome (or Course) Report link on the left side
  - Click CS, SE, or CS/SE in the drop down next to 'Program'
  - Click on a Single Semester or a Start and End Semester
  - \*Note: Single semester will be blank if you select Start and End Semesters
- View a C.O.R.E Report**
  - Click on the 'Reports' tab
  - Click the C.O.R.E Report link on the left side
  - Click on a course in the dropdown next to 'Course'
  - Click on a semester in the dropdown next to 'Semester'
  - Click on a section number in the dropdown next to 'Section Number'
  - \*Note: Only available section numbers will appear
- View a Matrix Report**
  - Click on the 'Reports' tab
  - Click on a course in the dropdown next to 'Course'
  - Click CS, SE, or CS/SE in the drop down next to 'Program'
